Official Paper of Yavapai County.

Fred Douglass on Washington City.

[From the Baltimore Guzette, May 10.] The following is a synopsis of that terrible speech delivered by Fred Douglass, for which the people of Washington City asked President Hayes to dismiss the coal in the snowbank from their midst:

perer produced any great statesman or philipaper, well filled with interesting reading anthropist. The de-cendants of the old natter, and well patronized by the business families make no mark. It sided with trea community in advertising. Our friends son against loyalty, and its selection was a who sometimes complain about the cost of great mistake, being sandwiched between papers and advertising, ought to live in the two slave States, and the headquarters of the West. The subscription rates for the paper slave trade, where the boys were sold as are \$5 per year, and it must be remembered swine. It was cruel without reason and in that it is not near as large as the True decem without shame. Freedom of speech Democrat at \$2. Single copies are 25 cents and the press was unknown, and its idea each. Their advertising rates are \$3 an was slavery. John Quincy Adams was threat- neh for the first insertion, and \$1.50 per eacd with death for advocating the right of inch every subsequent insertion. Netwithpetition. Delaking and gambling were pre- standing these rates, the western people apvalent under the dome of the Capitol. The preciate the value of a live newspaper, and duelist was in re, ute, and the place filled as a rule their papers are well sustained, and with poisonous weens and serpents. Mora in many instances are equal to and even lite was a shame. All was fair without, but superior to the castern journals." four within. Its beasted chivalry was to chatte go a Northern man to fight and to hesp whip a negro with his hands tied. The people applauded Brackinridge in his treason, stood between Andrew Jackson and im- I.
